Coast Central Credit Union

Community Investment Program

Spring 2017 Grant Awards

On behalf of our members, our volunteer Board of Directors, management and staff, we thank you for your interest in our Community Investment Program.

The Coast Central Community Investment Program commits $100,000 each year to assist community organizations throughout Humboldt, Del Norte and Trinity counties. This $100,000 is divided into two separate "rounds" of $50,000 each. Individual awards range from a minimum of $5,000 to a maximum of $25,000 and are granted to approximately three to six organizations during each round.

Our Community Investment Program committee represents over 64,000 members in Humboldt, Del Norte and Trinity counties. Therefore, on their behalf, when considering individual grants, we are looking to provide the greatest impact for the dollars invested.

Since we have such a diverse membership, any grant requests that might be political, highly controversial or religious in nature will not be considered. Our awards committee looks at project-specific requests rather than those that bolster operating budgets or staff positions.

Please complete the attached application and send it to the Humboldt Area Foundation, 373 Indianola Road, Bayside, CA 95524. The deadline for consideration for our Spring 2017 grant award process is Tuesday, February 28th, 2017.

If you have any further questions, please call Coast Central Credit Union at (707) 445-8801, Ext. 308.
