**HOME EQUITY LINE OF CREDIT  
EARLY FEDERAL DISCLOSURE**

**IMPORTANT INFORMATION—PLEASE READ CAREFULLY**

If you wish to apply for a Home Equity Line of Credit, you should read the following information carefully.

In this Early Federal Disclosure ("Disclosure"), the words "You," "Your," and "Yours" mean all those who are or may be applicants for a Home Equity Line of Credit with us. The words "We," "Us," and "Our" mean COAST CENTRAL CREDIT UNION. The word "Note" means the Home Equity Line of Credit Open-End Variable Rate Note and Federal Disclosure Statement for Loans Secured by Real Estate. The word "Account" means the real estate-secured line of credit account in the amount of the credit limit which you will establish for me pursuant to the Note.

**Retention of Information:** This disclosure contains important information about our Home Equity Line of Credit. You should read it carefully and keep a copy for your records.

**Availability of Terms:** All of the terms described in this "Early Federal Disclosure" are subject to change. If these terms change, (other than a change in the ANNUAL PERCENTAGE RATE) and you decide, as a result, not to enter into the Note with us, you are entitled to a refund of any fees you paid to us or anyone else in connection with your application.

**Security Interest in Your Home:** We will take a Deed of Trust (mortgage) on your home in connection with this Home Equity Line of Credit. You could lose your home if you do not meet the obligations in your Note with us.

**Possible Creditor Actions:** We can terminate your Home Equity Line of Credit with us, require you to pay us the entire unpaid balance in one payment, and charge you certain fees if:

- You engage in fraud or material misrepresentation in connection with the Home Equity Line of Credit;
- You do not meet the repayment terms under the Note; or
- Your action or inaction adversely affects the security for the Home Equity Line of Credit (your dwelling) or our rights in the Security.

We can refuse to make additional extensions of credit or reduce your Home Equity Line of Credit limit if:

- The value of the dwelling securing the Home Equity Line of Credit declines significantly below its appraised value for purposes of the line;
- We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial Circumstances;
- You are in default of a material obligation in the Note;
- Government action prevents us from imposing the ANNUAL PERCENTAGE RATE provided for under the Note or impairs our security interest such that the value of the interest therein is less than 120 percent of the credit line;
- A regulatory agency has notified us that continued advances under your Home Equity Line of Credit with us would constitute an unsafe and unsound practice; or
- The maximum ANNUAL PERCENTAGE RATE under the Note is reached.

The Note permits us to make certain changes to its terms at specified times or upon the occurrence of specified events.

Draw Period and Repayment Terms: You will be permitted to take advances upon your Home Equity Line of Credit with us (up to your available credit limit) for a period ending on the tenth (10<sup>th</sup>) anniversary of the date of your Note. This is known as the "Draw Period." After the Draw Period ends, you will no longer be permitted to obtain advances, but you will be required to pay your Minimum Monthly Payments in order to "pay off" the unpaid balance of your Home Equity Line of Credit plus any interest and other applicable fees and charges under the Note over a fifteen (15) year period. This is known as the "Repayment Period."

A Minimum Monthly Payment is required during both the Draw and Repayment Periods.

Your Minimum Monthly Payment is subject to change following each additional advance during the Draw Period and at each Adjustment Date during the Draw and Prepayment Periods.

Your Minimum Monthly Payment will be based on: 1) your unpaid balance after your most recent advance; 2) the ANNUAL PERCENTAGE RATE in effect at the time of the advance; and 3) an amortization period of fifteen (15) years. Thereafter, except in the event of an additional advance, your Minimum Monthly Payment will change at each Adjustment Date and will be based on: 1) your unpaid balance after your most recent advance; 2) the ANNUAL PERCENTAGE RATE in effect at the Adjustment Date; and 3) the remaining term of the fifteen (15) year amortization period.

Your Minimum Monthly Payment will also change at the time of each additional advance and will be based on: 1) your unpaid balance after your most recent advance; 2) the ANNUAL PERCENTAGE RATE in effect at the time of the additional advance; and 3) a new fifteen (15) year amortization period. Thereafter, except in the event of an additional advance, your Minimum Monthly Payment will change at each Adjustment Date and will be based on: 1) your unpaid balance after your most recent advance; 2) the ANNUAL PERCENTAGE RATE in effect at the Adjustment Date; and 3) the remaining term of the fifteen (15) year amortization period.

However, in no event will the Minimum Monthly Payment be less than 1) \$50, or 2) the unpaid balance, whichever is less, plus FINANCE CHARGES and late charges, if any. Also, if any amount is past due, this past due amount must be paid in addition to your Minimum Monthly Payment. If any amount exceeds your credit limit, the amount in excess of your credit limit must be paid in addition to your Minimum Monthly Payment. You understand and agree that your Minimum Monthly Payment is applied in the following order: (a) late charges, if any, (b) FINANCE CHARGES, and (c) unpaid balance.

Minimum Payment Example: Assume you obtain a \$10,000 advance under your Home Equity Line of Credit with us with an ANNUAL PERCENTAGE RATE of 4.75%. Assume further, for purposes of this example, that the ANNUAL PERCENTAGE RATE remains at this rate (although your ANNUAL PERCENTAGE RATE will be variable under the terms of the Note). Your Minimum Monthly Payment of \$77.81 would require 180 months to pay off the entire balance if you made only Minimum Monthly Payments (on a timely basis) and you did not obtain any additional advances. During that period, you would make 179 monthly payments of \$77.81, with one final payment of \$76.56.

Fees and Charges: To open and maintain a Home Equity Line of Credit with us, you must pay us the following fees:

- |                                             |                               |
|---------------------------------------------|-------------------------------|
| a. Document Preparation Fee:                | None                          |
| b. Reconveyance Fee:                        | \$58.00 (e)                   |
| c. Application Fee:                         | None                          |
| d. Annual Fee:                              | None                          |
| e. Points:                                  | None                          |
| f. Transaction Fee for Subsequent Advances: | None                          |
| g. Mutual Modification (Processing) Fee:    | Up to 1% of your credit limit |
| h. Demand Fee:                              | \$30.00 (e)                   |

With the exception of the Application Fee, Annual Fee, and Mutual Modification Fee, these fees and charges will be collected from you directly at the time of the closing of the loan and/or deducted from your loan proceeds. The Application Fee is payable at the time you submit your application and is non-refundable, to the extent permitted by law, once three (3) business days after you have received this Disclosure have passed. The Mutual Modification Fee is charged at the time of any Mutual Modification to the Note. The Annual Fee is charged as an advance on your first billing cycle and each year thereafter.

Cancellation Fee: In the event your Account is closed during the period ending on the third (3<sup>rd</sup>) anniversary of your Note, you will pay a Cancellation Fee of \$400.00, which amount must be paid prior to the issuance of a reconveyance, unless the property has been sold.

Good Faith Estimate of Third Party Fees and Charges:

A Good Faith Estimate of Fees that you may be responsible for is as follows:

- a. Appraisal Fee: \$0-\$500 (e)
- b. Recording Fee: \$0-\$65 (e)
- c. Title Insurance: \$0-\$500 (e)
- d. Escrow Fee: \$0-\$250 (e)

An (e) means that the charge is an estimate and is subject to change.

With the exception of the Appraisal Fee, these third party fees and charges will be collected from you directly at the time of the closing of the loan and/or deducted from your loan proceeds. The Appraisal Fee is payable at the time you submit your application. The cost of the Title Insurance Policy is passed on to you at our cost in accordance with a Schedule of Fees as determined by the Title Insurance Company.

Property Insurance: In addition to the various fees and charges set forth above, you understand and agree that you must maintain dwelling insurance (and if the property is now or at some future date is determined to be located in a flood hazard area qualifying for and having available flood insurance under the National Flood Insurance Act of 1968/National Flood Insurance Reform Act of 1994, then flood insurance) on the security, naming us as Loss Payee and fully insuring the property against loss or damage by fire and other standard perils. You may obtain this insurance from a person of your own choosing. If you do not get this insurance, we may obtain this insurance and add its cost to your loan and you agree to pay for it. Any amount spent by us for insurance will be added to the unpaid balance on your loan and will accrue FINANCE CHARGES. The proceeds of any insurance policy on the security, whether or not required by us, shall be applied solely to repairs of the security or repayment of the loan.

Negative Amortization: Under some circumstances, your monthly payments will not cover the FINANCE CHARGES that are payable (generally if you do not pay at least your Minimum Monthly Payments on a timely basis or take advances between payment due dates or ANNUAL PERCENTAGE RATE Adjustment Dates), such that "Negative Amortization" will occur. If this occurs, it will increase your unpaid FINANCE CHARGES and reduce your equity in your home.

Minimum Draw Requirements: Minimum advance of \$500.

Tax Deductibility: FINANCE CHARGES and other fees and charges on your Home Equity Line of Credit may be tax deductible. You should consult a professional tax advisor regarding the deductibility of interest and charges under the Home Equity Line of Credit.

Variable Rate Features: This Home Equity Line of Credit contains provisions for a Variable ANNUAL PERCENTAGE (interest) RATE. The ANNUAL PERCENTAGE RATE and the term of repayment may change as a result.

The ANNUAL PERCENTAGE RATE includes only interest and no other costs.

How we determine changes in your ANNUAL PERCENTAGE RATE: The ANNUAL PERCENTAGE RATE may increase or decrease on a quarterly basis during the term of the Note. Any such change will be based on an increase or decrease in the average rate of 26-week Treasury Bills as published daily in the *Wall Street Journal* under the heading "Money Rates," rounded to the nearest ¼ %, for the 13-week periods preceding March 1, June 1, September 1, and December 1 of each year (herein "Index"). In the event that the 26-week Treasury Bill Rate ceases to be published, changes to the ANNUAL PERCENTAGE RATE will be related to a comparable Index as permitted under the Change of Terms provisions set forth in the Note.

During certain promotional programs, the Initial ANNUAL PERCENTAGE RATE may be "discounted" and it will not be based on the Index and the margin used to make later adjustments. The "discount" will be in effect for the period as set forth in the Note or attached addendum. Thereafter, your ANNUAL PERCENTAGE RATE is determined by adding a fixed amount (a "margin"), which will be set forth in the Note to the Index as of each "Adjustment Date."

Ask us for our current Index values, margin, discount, and ANNUAL PERCENTAGE RATE. After you open the Home Equity Line of Credit, the ANNUAL PERCENTAGE RATE will be provided on monthly statements that we send to you.

Rate Changes: Your ANNUAL PERCENTAGE RATE is subject to change once every three (3) months on April 1, July 1, October 1, and January 1 of each year. These dates shall be known as "Adjustment Dates." The Index in effect on March 1 shall be used to calculate the ANNUAL PERCENTAGE RATE change effective April 1 of the same year. The Index in effect on June 1 shall be used to calculate the ANNUAL PERCENTAGE RATE change effective July 1 of the same year. The Index in effect September 1 shall be

used to calculate the ANNUAL PERCENTAGE RATE change effective October 1 of the same year. The Index in effect on December 1 shall be used to calculate the ANNUAL PERCENTAGE RATE change effective January 1 of the following year.

**Maximum and Minimum Rate:** The maximum ANNUAL PERCENTAGE RATE during the term of the Note shall not exceed 6% above the initial ANNUAL PERCENTAGE RATE set forth in the Note, except that the maximum may not exceed the maximum ANNUAL PERCENTAGE RATE permitted California state-chartered credit unions at the time of each ANNUAL PERCENTAGE RATE change. Under no circumstances during the term of the Note will the interest rate ever be less than 3.50% per annum. There are no annual (or quarterly) limitations on changes in the ANNUAL PERCENTAGE RATE during the term of the Note. Decreases in the ANNUAL PERCENTAGE RATE in accordance with the terms of the Note are mandatory. Increases in the ANNUAL PERCENTAGE RATE in accordance with the terms of the Note are at our discretion. Any increase or decrease in the ANNUAL PERCENTAGE RATE may result in charges in the amount of the payments required to repay the unpaid balance.

**Maximum Rate and Payment Examples:** Assume: 1) an Initial ANNUAL PERCENTAGE RATE of 4.75%; 2) that the ANNUAL PERCENTAGE RATE reached the maximum of 10.75%\*\*\*; and 3) that you had an initial advance of \$10,000. Assuming no overlimit or past due amounts, the Minimum Monthly Payment during the Draw Period and the Repayment Period would be \$112.16, with one final payment of \$111.40. The maximum ANNUAL PERCENTAGE RATE could be reached at the First Adjustment Date.

**Historical Example:** The following table shows how the ANNUAL PERCENTAGE RATE and the Minimum Monthly Payments for a single \$10,000 credit advance would have changed based on changes in the Index over the past fifteen (15) years. The Index values for the 26-Week U.S. Treasury Bill Rate are from July of each year. The table assumes only an annual change in the ANNUAL PERCENTAGE RATE and Minimum Monthly Payment. As set forth above, your ANNUAL PERCENTAGE RATE is subject to change once every three (3) months on April 1, July 1, October 1, and January 1 of each year. Your Minimum Monthly Payments are subject to change after each advance and at each Adjustment Date.

The table assumes that no additional credit advances were taken, that only the Minimum Monthly Payments were made, and that the ANNUAL PERCENTAGE RATE remained constant during each year. It does not necessarily indicate how the Index or your Minimum Monthly Payments will change in the future.
